

## Terms and Conditions and Health & Safety information for the Beekeeping Course

### **General advice:**

Please refrain from using highly scented products, as bees are highly sensitive to scents.

### **Equipment required:**

- Wellington boots
- Marigold/ rubber gloves
- Gaffer Tape
- A Beekeeping Suit will be provided for the duration of the course.

### **General Health and Safety**

Westbury Bee Group is committed to the anticipation, identification and elimination of hazards, in order to reduce the risk of accidents or incidents of any kind in relation to beekeeping activities that might affect members, their families, neighbours or members of the public. That said we cannot guarantee that you will not be stung so please do not attend if you know you have an allergic reaction to bee stings.

Also please note, the grounds at Westbury are uneven in places with a risk of tripping. Please take care in the grounds.

### **COVID Measures**

As we all try to navigate our own route back to 'normal', we continue to put the health and safety of all our customers, artists, and staff at the heart of what we do.

When you visit Westbury Arts Centre and attend its courses and workshops, you can be assured that we have done all we can to make your visit as COVID-safe as possible, with strict cleaning regimes, risk assessments, ventilation, so if you

are well and displaying no signs of COVID, come along with confidence to the workshop or course you have booked a space for.
